List of Certified Backflow Testers
Application Form

To have you company added to the Bedford Regional Water Authority List of Certified Backflow Testers the following information is required:

Company Name: _____

Address: _____

City: _____ State: _____ Zip Code: _____

Contact Name: _____

Phone #: _____ Fax #: _____

e-mail address: _____

(it is the responsibility of the applying company to ensure all information is accurate and legible prior to submitting form)

In addition to the above information, the applying company shall provide legible copies of the following information:

1. A legible copy of DPOR Backflow Prevention Device Worker license(s) for all current employees that conduct testing.
2. A legible copy of Certificate of Accuracy for all backflow testing equipment used by the company.

The requested information and this form can be mailed, dropped off, faxed or emailed to:

Bedford Regional Water Authority
Attn: Backflow Prevention Program
